## How will your parish respond to Revival?

This Corpus Christi Sunday (June 11), the archdiocese kicks off the second year of the Eucharistic Revival which focuses on the parish. We are convicted that the Parish Year is the most important year of the Eucharistic Revival. The reasons for this are many but primarily, the most common experience for the faithful to encounter Jesus in the Eucharist is the local celebration of the Mass which is celebrated in our parishes. As one pastor noted, "We need to understand how to better participate in what we do every day."

I would like to share here the specific goals for the Archdiocese of Denver in hopes that you would pray with them and ask Jesus how he is asking you and your parish to respond in this year.

The first goal is to foster encounters with Jesus in the Eucharist among many who have not encountered him there before.

The second goal is to increase devotion to the Holy Eucharist in the Mass but also in adoration and strengthen awareness in the faithful of the connection between these two.

The third goal is to unite across ministries, movements, parishes, entities, and even the dioceses of Colorado, to truly become one body in the Eucharist.

The fourth and final goal is to promote and recover the beauty of Eucharistic miracles, hymns and art.

This goal arose from the initial discernment of multiple small groups who were reminded in prayer of the treasures we have as a Church in our Eucharistic art. We often take for granted the great gifts that God has given to us throughout history. This goal challenges us to re-engage our Eucharistic hymns and art, to pray with them, and recover their use in formation, catechesis and evangelization. We have been blessed throughout the centuries with Eucharistic miracles that help us to grow in our faith in the Eucharist and the real presence of Jesus in the Eucharist.

## Eucharistic Revival

The Cathedral Basilica has been designated as a pilgrimage site for the Eucharistic Revival in the Archdiocese of Denver.

Please join us for adoration of our Eucharistic Lord, exposition is at 5 pm every Sunday evening, we then have solemn vespers starting at 6 pm.

During your visit you can pray with the relic of Bl. Carlo Acutis, a boy who had a deep devotion to the Eucharist and Eucharistic Miracles

Found in the Narthex of the Church are informational stands on the Eucharistic Miracle of Lancia-  
no, when during Mass in the 700's the bread and wine fully transformed into literal flesh and blood.
